KARMA... takes direct coated fabric to another level

Karma is a wide width Roller fabric with matching Vertical fabric in 89mm width. The high low textured face has a sophisticated semi-sheen finish.

It offers contemporary colours in line with current trends in design for residential and commercial interiors. It particularly considers leading paint manufacturers' bestsellers and international trend guides;

Seven Neutral Shades

Including an elegant white *Frost* and off-white *Shell* with cream undertones.

Sandstone is a versatile natural shade.

Cliff and *Haze* are warm greys with a hint of clay red.

Dew and *Moonscape* are subtle cool greys.

Five Darker Shades

In contrast, the FIVE DARKER SHADES are *Magma* an intense black, *Rock* a rich charcoal.

Glade is a soft grey green, and *Ocean* presents an eye-catching deep teal.

Petrol is a moody blue grey, so prominent in interior design currently.

From a performance perspective Karma has a number of strong attributes;

Wellbeing attributes

Greenguard Gold certification where Karma is accredited for use in sensitive areas eg schools and healthcare facilities.

It is PVC free and Lead free and offers 99.95% UVA and UVB protection.

Technical attributes

It is a 100% polyester fabric, with a colour matched foamed acrylic blackout backing.

Karma has superior handling and durability.
